Enock

Opens stuck, barred, locked, held, or wizard locked doors. It opens secret doors, as well as locked or trick-opening boxes or chests. It also loosens welds, shackles, or chains. If used to open a wizard locked door, the spell does not remove the wizard lock but simply suspends its functioning for one turn. Knock will not raise a portcullis or operate any other similar mechanism, nor will it affect ropes, vines, and the like. Each spell can undo a single means of preventing access.
